## Drop-offs and pick-ups

Drop-offs and pick ups must be between the hours of 0700h and 1000h, or 1600h and 1900h. Outwith these times must be by prior agreement and are subject to an out of hours fee. You MUST keep to your agreed time or let me know ASAP if this changes. I need to consider my neighbours by preventing lots of dogs barking at unexpected visitors at the gate! I can provide transportation if timings work with any given daily schedule. I charge 45p per mile of each return journey made, and the first mile of each return journey is free.

## Bookings and Cancellations

A calendar showing booking availability for the year can be found on our website at [www.pawfolk.com](http://www.pawfolk.com). All advance bookings require a 50% deposit to secure the space which is non-refundable. You can, however, transfer them to a different date, subject to availability. If you or I can find another boarder/s to fill the cancelled space, I am happy to refund you in full.

## A Typical Day's Schedule

Dogs thrive on a good routine, which also helps to encourage the wolfpack to 'work' together and find their own place within the team. We'll have regular bouts of play throughout the day, and/or chill outside if the weather is nice. After dinner there is more garden time, then a relaxing evening before bedtime.

Throughout the day I will send you 'pupdates' via WhatsApp - both photos and videos, and keep you in the loop with their progress, which I am very honest about.

## Sleeping Arrangements

My resident dogs sleep in my bedroom at night, and your dogs are very welcome to too! If they/you prefer otherwise, please just let me know. Each dog can have their own room to rest, and I can also provide crates if they prefer. I have Pawcams to check in on them.
